

# contents

## 1 how to use this pack – an introduction

## 2 narrowing the gap – an overview

## 3 where are the gaps? – an overview of the data by NFER (a summary)

## 4 what seems to 'make the difference' – the top 10 golden threads

## 5 the critical 'building blocks' – what makes the difference in more detail

introduction to the templates	5.1
<b>template one</b> what must be in place in all local areas to narrow the gap through Children's Centres and other early years settings?	5.7
<b>template two</b> what must be in place to narrow the gap through extended schools?	5.23
<b>template three</b> what must be in place in all schools to narrow the gap?	5.42
<b>template four</b> what must be in place in all local areas to 'make the difference', through engaging and supporting parents and carers (children 3–13) in helping their children to succeed?	5.49
<b>template five</b> using the systems and processes brought into being by every child matters to orientate services more towards prevention and early intervention so that fewer children fall behind the rest.	5.63

## 6 what research is telling us – a review of literature and evidence by NFER (a summary)

## 7 the next steps

## 8 appendices

- A overview and analysis of data – NFER (full report)
- B a review of research evidence – NFER (full report)
